.....

I understand as a member of the Gorcombe Racing Society, I will pay my first two months membership of my chosen class when joining. I will then pay my monthly membership on the first day of each month thereafter.

I understand I must give a minimum of 1 calendar month's notice to leave the society, unless there is a change to the society like a horse being changed when I will be able to leave with immediate notice and be refunded any outstanding membership I have paid.

I understand that if I miss a payment, Gorcombe has the right to cancel my membership.

I understand any prize winnings I have earned will be paid at the beginning of September each year or the balance will be paid two months after leaving the society.

I understand my membership does not include any rights to any ownership of any horses in the society or any horses associated with Gorcombe in any way.

The membership of Gorcombe Racing Society will consist of no more than 100 shares. The society will always be made up of three individual horses.

As a Platinum member only, Gorcombe will guarantee me a minimum of one opportunity each year to attend the races as an owner.

I am over 18 years of age.
